

Angel Mamie Delight Johnson

August 28, 1959 - November 15, 2021

Angel gained her wings to Heaven on Monday, November 15, 2021 with her sister by her side. She was 62 years old.

Angel was born August 28, 1959, in Hahira, Georgia to A.C. and Goldie Johnson.

Angel had Downs Syndrome, but this did not hold her back from being a very independent child. She could color the most perfect pictures. She loved to sit for hours and color the day or night away.

Her favorite movie was The Wizard of Oz. She would even cackle like the Wicked Witch of the West when she watched the movie. Her favorite character was Dorothy.

She loved Elvis Presley and would sit for hours and play his 45's over and over. She especially loved the Elvis movie Blue Hawaii. There were times when she watched the movie that she would get up and dance to the music. She loved Barnabus Collins from the movie Dark Shadows, she could sit and watch that for hours. Ice cream cokes were often her favorite snack while watching Barnabus or The Wizard of Oz.

She will be missed very much by all of her loved ones. Especially her sister, Darleen, who took care of her after their Mother passed away.

Angel loved everyone she met and she never met a stranger. Everyone she met was her friend, and she always asked every lady "Are you gonna have a baby?". She was always smiling and would try to shake everyone's hand that would shake back.

She never complained about anything. She was just that loving.

When it was time for a new baby to be born in the family, she could be heard saying "It's a girl, just like me" and she would get huffed if the baby was a boy. But she loved each and every baby that was born into our family whether it was a boy or girl.

Her birthday was her absolute favorite time of the year. A huge party was thrown for her every year by her nieces, Renee' and Michelle. She was showered with tons of presents and lots of loving family. Grilled hamburgers and hot dogs were on the menu every birthday dinner. Angel would pick her cake out herself and her niece Renee' would bake and decorate it with lots of love.

Angel is preceded in death by her parents A.C. and Goldie Johnson. Sister, DeWana Melton, her grandparents, Charlie and Mamie Trammel, and her aunt, Jaye Rush whom she loved dearly.

She is survived by her sister Darleen Hodges (Kenneth P. Hodges) of Orange, Texas and Pitkin, LA.

Her nieces, Elizabeth Renee' Ansley (Greg Ansley) of Orange, Texas; Michelle McDonald (Scott McDonald) of Orange, Texas; Kenneth R. Hodges (Dawn Hodges) of Nederland, Texas.

She was loved by many more nieces, nephews and extended family across the country.

Funeral services for Angel are currently pending.

In lieu of flowers, memorial contributions may be made to help with the final expenses at Claybar Funeral Home in Orange.

“ I was not acquainted with Angel but her sweet face drew me into reading her eulogy. I believe my life would have been all the richer if I would have had the pleasure of knowing Angel.
May the peace of the Lord be with the family.

“ I will never forget how her face lit up when she would see her Birthday Cakes every year.
She truly loved her Birthday.
She especially loved getting money in her envelopes. She would throw her hands up in the air and wave her money around, and have the biggest smile on her face.
I am so very much going to miss her.
She has been a part of my life since the day I was born.
51 years was not near long enough to be with her..
I know some day I will be again.
I will miss you every day of what's left of my life.
You took a huge piece of my heart with you.
I love you so very much.
Love, Elizabeth Renee'
