“ I am flooded with memories of my friends and the whole Trahan family that I love and have missed over the years. I miss my sweet sis Becky and was shocked to hear of losing Pud and Jeffrey. I loved them both and what a reunion in heaven right now. It must be very festive there and Pud FINALLY is reunited with James. Love to all of you!!!!

“ My best childhood memories are with Frances and her brother and sisters. Such great times playing croquet, Andy over, card games, monopoly and baseball... One of us hit a baseball through her mama's kitchen window at least once every summer!! Whenever we were together as adults there was always lots of laughter and reminiscing. Frances, I know you have now seen the face of God and you are with all those you loved who went before you. All of us who knew you will miss you so very much but we shall meet again my dear cousin. You are well again and for this I rejoice for you!!
