“ Darrel, my deepest sympathy to you during this sad time of the loss of you Mother, an Angel that touched so many lives with her kindness that your Mother shared with so many. To Kathy , all the grandchildren and great-grandchildren, rest assured that that your dear love one and Grandmother is with JESUS now. I have so many wonderful memories of the all of the Weaver family from the days of growing up with them as our close neighbor. I think of them often and miss those that have gone on to Heaven to be with their Saviour. Nita was very special and leaves a legacy that will live forever. Darrel, may GOD bless you and all of your extended family for now and forever.

“ I am deeply saddened by the news of Neta's passing. She will always hold a special place in my heart. She was always so loving and kind to me and my family when my dad passed away. I was always playing at their house on Buffalo and I would always try to stop to at their home in Zavalla when I would go home from SFA to visit. Susie was like a big sister to me. Neta is a beautiful God-loving woman and friend. She will be missed by all. She is now at peace with Joe and Susie by her side in Heaven. Prayers for all those she has left here on earth. We will all be together one day.
