“ Soooo many memories made with Ryan these are just a few of my favorites. He will forever be missed. I’ll forever remember how welcome he made you feel whenever we would visit and always sure to make you laugh. The story behind the box pictured he loved woodwork I joked everytime I seen him “when are you gonna make me a cedar chest Ryan” Little did I know he had already made me one and gave it to me one Christmas with my name carved on top, I’ll forever cherish it too. My thoughts and prayers are with the English family. Love y’all!
